HOUSE OPPOSITION LOOMS UP TO SMALL "PORK BARREL" BILL

Made to Restore Many Items Eliminated By \$33,-000,000 Reduction.

WASHINGTON, Sept. 21 .- Opposition in the House to the drastic reduction of the rivers and harbors "pork barrel" appropriation bill from \$53,000,000 to \$20,-600,000, ordered by the Senate, 27 to 22, late last night, loomed up today formidably.

Senator Burton, of Ohio, leader of the fillbuster against the "pork barrel" bill, was given credit for forcing the reduction ordered by the Senate. Burton won his filibuster fight. The Demoeratic leaders in charge of the bill were routed, unable to hold all Democrats solidly behind the bill. Fifteen Demoerats voted with Republicans to recommit the bill to the Commerce Committee with instructions to reduce its total to \$20,000,000, as predicted yesterday. Wishes of the President for exercise of greatest economy are reported to have influenced the split in the Democratic

The Commerce Committee met to pare the bill to \$20,000,000. It carried \$43,000,-600 as it passed the House, and the Senate committee added \$10,000.000. JERSEY'S HOT PRIMARY FIGHT

Gov. Fielder's Supremacy Disputed

in Hudson-Contest in Atlantic. TRENTON, Sept. 22.—New Jersey today is deciding a primary election devoid of contests for State-wide offices, but full of local fights which have engrossed the attention of the people during the last few weeks.

The two chief battlegrounds in these contests are Hudson County, where a bitter battle for the supremacy of the Democratic party is in progress, with Governor Fielder's followers arrayed on one side and those of Navai Officer Witt-ptin on the other; and in the Second Congressional District, where a hot fight is on for the Republican nomination, and in which one aspirant—Emerson Richards, of Atlantic City—some days ago took re-course to the courts to prevent an oppo-ment—Issae Bacharach, also of Atlantic City—from having his pame on the baller City-from having his name on the ballot. Richards lost the contest.

McCormick, the Democratic candidate, continues to grow through the city and State.

> The 25th Ward Washington Party Committee in this city, meeting at 2823 Frankford avenue, last night denounced the withdrawal of Mr. Lewis, repudiated the Washington party and reorganized itself into the Progressive Republican League, Following this action Dr. Martin G. Brumbaugh was indorsed as their candidate for Governor.

In Montgomery County C. Tyson Kraiz, the only delegate to the Anti-saloon League Convention at Harrisburg last week who openly opposed the indorsement of Mr. McCormick by the convention, is urging his political friends to revolt against the leadership of Flinn and Van Valkenburg. In an open letter yeaterday to William Flinn, E. A. Van Valkenburg, Gifford Pinchot and Wilham Draper Lewis, Mr. Kratz charges them with being the worst enemies Colonel Roosevelt has in Pennsylvania.

Mr. Kratz, who in 1912, as a delegate to the Chicago Republican Convention. battled for Roosevelt, declared that Colonel Roosevelt will come into Pennsylvania this fall to fly in the face of 90 per cent, of his own friends in order to support a Democratic candidate for Governor. Mr. Kratz also speaks in high praise of Dr. Brumbaugh. In the Western end of the State promi-

nent Washington party men are fast rallying to the support of R. R. Quay, who last week openly denounced the deals of the Flinn-Van Valkenburg "machine." Charles Kerler, editor of the Blairsville (Pa.) LARGE VOTE ON PROHIBITION Beautiful Weather Bring Many to the Polls in Virginia.

RICHMOND, Va., Sept. 22 .- A beautiful fall day, also "summer" hot, today brought out an unusually heavy vote in the special election on State-wide prohibition for the Old Dominion.

Both "wets" and "drys" were claiming victory, but the bright day was generally believed to favor the white ribbon forces by developing an unusually heavy country vote of farmers.

Rousing campaigns, participated in by national temperance workers, closed in national temperance workers, closed in all parts of the State last night. The "drys" today claimed victory by about 10.000 majority, while these favoring con-tinuance of local option claimed the State by 20.000. All saloons were closed today. Voting began before 6 s. m., and the polls re-main open until 6 p. m.

The fighting on the Aisne, consisting of the greatest artillery duel the world has ever seen, with fierce hand-to-hand contests, continues, and the Allies are apparently slowly making their turning movement around the German right, Von Kluk's, from Noyon and Lassigny. They also have advanced over the Aisne in the corner where it joins the Oise. In the centre toward Craonne, and north of Rheims, the fighting from intrenchments is of the most severe character. Eastward slight changes have occurred in the Argonne, over a wide range of mountain and wooded country, but the relative positions are not much altered after an eight days' battle, though the general belief is the Germans, though claiming success for their offensive movement, are really retiring, except possibly on their left, near Verdun.

FINANCIAL TANGLE HALTS DEPARTURE FROM VERA CRUZ

France Lays Claim to a Portion of Customs Receipts to Satisfy Loan to the Huerta Government.

WASHINGTON, Sept. 22. - Representaions made by the French Government regarding customs collections made by General Funston at Vera Cruz, it was learned today, are postponing American evacuation of the Mexicon port. Until the financial tangle is unravelled Funston will not move his troops.

Part of the collections are claimed by French financiers as security for a loan to the Huerta government. That these claims should be satisfied by Funston out of Mexican funds he has collected, without being paid to a constitutionalist representative, is the contention of the French government.

Officials today disclaimed knowledge and scoffed at reports of a Villa "uprising" in Sonora. All consular advices, it was stated, point to complete harmony between Villa and Carranza. It was pointed out that Villa personally telegraphed such assurances to President Wilson only a few days ago. ITALIAN VOTERS ENLISTED TO END AGAINST PENROSE

League Adopts Resolution to Oppose His Re-election.

Despite the threats of the Republican Organization leaders of South Philadelphia to break up a meeting of the Italian Political League, which was held last night at 721 Carpenter street, several hundred Italians attended the meeting and adopted a resolution, unanimously pledg-ing themselves to work and fight to the end against the re-election of Senator

Penrose, Joseph Persichetti, chairman of the league, presided over the meeting and urgently pleaded for the elimination of Penroseism and Vareism. Upon his suggestion a resolution was carried to the effect that no parties be indorsed until the next meeting, which will take place next Friday. B. M. Marello urged that voters unite in full force for good government. Other speakers were Joseph Tumolili, Thomas

Russo and Henry di Berarbini. ASKS PALMER TO RETIRE
